Dear Ms. Burse:

Re: Public Disclosure of Exempt Organization Income Tax Return

The attached copy of your organization's Exempt Organization Income Tax Return is to be used as your Public Disclosure Copy. As you may be aware, the income tax law now requires tax exempt organizations to provide and/or make available copies of their income tax returns for the most recent three years to any person requesting them. In addition, the organization must provide and/or make available a copy of its Application for Recognition of Tax Exempt Status (Form 1023) if the organization had a copy in its files in July 1987 or later.

All information in the Exempt Organization Income Tax Return and Form 1023 must be provided, except donors' names may be masked on Schedule B, if applicable.

We have prepared the attached "Public Disclosure" copy of the Exempt Organization Income Tax Return for your organization to use in making copies when requested, and we recommend that you assign someone on your staff to establish a procedure for addressing requests for copies. The IRS may impose significant penalties when organizations do not provide copies of their Exempt Organization Income Tax Return and Form 1023.

Should you have questions regarding the public disclosure requirements, please feel free to call us.

Yours very truly,

DEMING, MALONE, LIVESAY & OSTROFF
