

*Introducing*  
**GOODWILL'S  
VIRTUAL SERVICES**

**Goodwill Industries of Kentucky is excited to offer virtual vocational assessments and full evaluations to Office of Vocational Rehabilitation consumers!**

**Consumers can expect:**

- Real-time interviews
- Proctored academic, interest and aptitude testing
- Online teleconferencing with an evaluator
- One day assessments or comprehensive evaluations
- Tech checks

**The consumer will need access to:**

- Reliable internet
- Computer (no tablet or smart phone)
- Microphone and video capability

The services will follow the virtual guidelines set forth by the Vocational Evaluation and Career Assessment Professional Association (VECAP) and can be provided in the Goodwill Industries of Kentucky service area, which includes 103 and of the 120 counties in Kentucky. A written report will be provided to the OVR counselor 5-10 days after the completion of the assessment. A virtual meeting can be held with the OVR counselor, consumer and evaluator to review and discuss the results of the assessment.
